

Lent 2011: 24 Hours That Changed The World

No single event in human history has received more attention than the suffering and crucifixion of Jesus of Nazareth. This Lenten season, we will journey through the last 24 hours of Jesus' life. Each worship service and class session is designed to help participants experience and understand the significance of Jesus' suffering and death in a way they may never have done before, whether they are long-time Christians or simply curious about the story of Christ's crucifixion.
